

# Celebrate Card

Designed by: Kay Molyneux

Love card making? You're going to love creating custom cards using Graftix Opaque White Craft Plastic Film, White Inkjet Shrink Film, and Artist-tac!

## Supplies:

Graftix Opaque White Craft Plastic Film  
Graftix White Inkjet Shrink Film  
Graftix Artist-tac  
White Card Blank  
Purple Card  
A flower and a leaf stamp of choice on acrylic blocks  
Ranger Red and Purple Alcohol inks with blending solution  
Ranger alcohol Lift-Ink Pad  
Felt Applicator Tool  
White Posca pens  
White Die Cut sentiment of choice  
Purple Ribbon  
Copy Paper  
Craft Heat Tool

## Directions:

1. Start by cutting the Graftix Opaque White Craft Plastic Film to 5<sup>1</sup>/<sub>4</sub>" square sheet.
2. Then cut a white card blank to a 5<sup>6</sup>/<sub>8</sub>" square.
3. Cut the purple cards into 1"x 5<sup>1</sup>/<sub>2</sub>" and sheets of 5<sup>1</sup>/<sub>4</sub>" square.
4. Apply the red and purple ink to the Graftix Opaque White Craft Plastic sheet with the felt applicator adding the blending solution if necessary.
5. Ink the flower stamp with the alcohol lift-ink pad and then stamp onto the Opaque White Craft Plastic sheet.
6. Then add stamp the flower design onto the Graftix White Inkjet Shrink Film and again onto a sheet of copy paper. (Make sure to clean the stamps between each color change.)
7. Cut out the flower from the copy paper and use it to mask the flower image on the Opaque White Craft Plastic sheet.
8. Ink the flower stamp with the alcohol lift-ink pad and stamp to one side and partially on the masked flower then stamp onto more copy paper.
9. Repeat process but on the other side of the masked flower.
10. Cut out the flowers from the copy paper and use to mask the other flower images on the Opaque White Craft Plastic sheet.

11. Repeat the stamping process with the leaf stamp over the masked flowers.
12. Blot any residue from the stamped images, and then use Posca pens to enhance the stamped lines.
13. Mask the flowers and leaves then splatter a little paint from a Posca pen.
14. Cut out the flower on the White Inkjet Shrink Film and punch out two holes.
15. Follow the Shrink Film instructions on the back of the package to shrink the button.
16. Put the card together by using Graftix Artist-tac to adhere to the Opaque White Craft Plastic sheet to the purple card and that to the card blank.
17. Attach the die cut sentiment to the 1"x 5 ½" purple card panel.
18. Then attach the purple card panel with die cut sentiment to the front of the card blank.
19. Finish by adding ribbon to the shrunk button before it is glued next to the sentiment.
