Purple Flowers
Designed by: Kimberly Santiago

The minimalist existence of flowers verses the overwhelming entirety of the world.

Supplies:
Grafix Black Chipboard
Grafix Double Tack Mounting Film®
Grafix Inkjet Printable Transparency with adhesive backing (Computer Grafix Film)
Grafix Inkjet Printable Vellum®
Inkjet Printer
Copier
Scissors
Vintage Map

Directions:
1. Adhere vintage map onto the chipboard using double tack.
2. Make a copy of a handwritten page on the transparency film.
3. Cut out a square "window opening" in the transparency film, remove paper liner and adhere to map.
4. Print purple flowers onto vellum, cut out and adhere to artwork with double tack.
